

WHAT DOES RECOVERING CITIZENSHIP MEAN TO INDIGENOUS AUSTRALIANS?

The *Gimuy Walubara Yidinji* people invite you onto Country to hear the voices of the unheard, to see through our eyes and to feel the strength of spirit within our people as they recover their citizenship through the recovery of Spirit, Soul and Self. Within culturally safe spaces of yarning circles, eating bush tucker, and enjoying vibrant art and dance you will have the opportunity to be immersed in our culture. Diverse speakers and activities will showcase our world of multiple meaning and layers that form our connections to the struggles and triumphs of recovering our citizenship as the original custodians. Discover and explore with us the notion of “Recovering Citizenship” from our perspective. Reflect on the big picture issues impeding our national capacity to develop and spear-head our human right based approach to effectively address mental health inequalities for Aboriginal and Torres Strait Islander people, their families and communities. **All indigenous peoples, as well as all interested people are invited to come.** Rejoice with our mob on their recovery, be inspired by their resiliency, support their empowerment – come sit down let’s yarn!!
