

**Our vision is mental health and wellbeing for all**

**Our mission is to advance mental health services through learning, education and training via:**

- creating shared, multi-disciplinary learning opportunities,
- actively engaging lived experience at all levels,
- inspiring mental health service reforms that support full participation in society, and
- recognising excellence and quality in research, practice and policy-making.

**Our values**

**INCLUSIVE**

Equity, diversity and social justice

**RESPECTFUL**

Respect for lived experience

**REFLECTIVE**

Self-reflection, learning and improvement

**COURAGEOUS**

Courage and perseverance

**BALANCED**

Individual and collective wellbeing

**Our strategic priorities**

**1. Create the best learning experiences**

We will provide easy access both in person and online to the highest quality and most relevant engaging content.

**2. Champion mental health leadership**

We will continue to champion leadership and reform that is inclusive of lived experience

**3. Activate new ideas and approaches**

We will continue to leverage and expand our products and services to meet the needs of our sector.

**4. Enrich meaningful connections**

We will continue to grow and sustain the diversity of engaged people across TheMHS network.

**5. Nourish the sector**

We will bring together our sector's workforce to support positive change and professional growth and development
